Purpose of form: All student organizations that receive more than \$250.00 in funding from ASBSU must complete 2 community service projects each school year. This form is used to report such projects and should be turned in within 30 days of completion of the project. This form must be turned in to the ASBSU Business Office by the end of the spring semester of the funding year it applies to. Failure to submit this form may result in a loss of all or part of the organizations funding for the following year.
